
TOWN OF MOORESVILLE GROUP HEALTH PLAN

NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION.

PLEASE REVIEW IT CAREFULLY.

Our Pledge to You

This notice is intended to inform you of the privacy practices followed by the Town of Mooresville Group Health Plan (the Plan) and the Plan's legal obligations regarding your protected health information under the Health Insurance Portability and Accountability Act of 1996 (HIPAA). The notice also explains the privacy rights you and your family members have as participants of the Plan. It is effective on 7/1/2015.

The Plan often needs access to your protected health information in order to provide payment for health services and perform plan administrative functions. We want to assure the participants covered under the Plan that we comply with federal privacy laws and respect your right to privacy. The Town of Mooresville requires all members of our workforce and third parties that are provided access to protected health information to comply with the privacy practices outlined below.

Protected Health Information

Your protected health information is protected by the HIPAA Privacy Rule. Generally, protected health information is information that identifies an individual created or received by a health care provider, health plan or an employer on behalf of a group health plan that relates to physical or mental health conditions, provision of health care, or payment for health care, whether past, present or future.

How We May Use Your Protected Health Information

Under the HIPAA Privacy Rule, we may use or disclose your protected health information for certain purposes without your permission. This section describes the ways we can use and disclose your protected health information.

Payment. We use or disclose your protected health information without your written authorization in order to determine eligibility for benefits, seek reimbursement from a third party, or coordinate benefits with another health plan under which you are covered. For example, a health care provider that provided treatment to you will provide us with your health information. We use that information in order to determine whether those services are eligible for payment under our group health plan.

Health Care Operations. We use and disclose your protected health information in order to perform plan administration functions such as quality assurance activities, resolution of internal grievances, and evaluating plan performance. For example, we review claims experience in order to understand participant utilization and to make plan design changes that are intended to control health care costs.

However, we are prohibited from using or disclosing protected health information that is genetic information for our underwriting purposes.

Treatment. Although the law allows use and disclosure of your protected health information for purposes of treatment, as a health plan we generally do not need to disclose your information for treatment purposes. Your physician or health care provider is required to provide you with an explanation of how they use and share your health information for purposes of treatment, payment, and health care operations.

As permitted or required by law. We may also use or disclose your protected health information without your written authorization for other reasons as *permitted* by law. We are *permitted* by law to share information, subject to certain requirements, in order to communicate information on health-related benefits or services that may be of interest to you, respond to a court order, or provide information to further public health activities (e.g., preventing the spread of disease) without your written authorization. We are also permitted to share protected health information during a corporate restructuring such as a merger, sale, or acquisition. We will also disclose health information about you when *required* by law, for example, in order to prevent serious harm to you or others.

Pursuant to your Authorization. When required by law, we will ask for your written authorization before using or disclosing your protected health information. Uses and disclosures not described in this notice will only be made with your written authorization. Subject to some limited exceptions, your written authorization is required for the sale of protected health information and for the use or disclosure of protected health information for marketing purposes. If you choose to sign an authorization to disclose information, you can later revoke that authorization to prevent any future uses or disclosures.

To Business Associates. We may enter into contracts with entities known as Business Associates that provide services to or perform functions on behalf of the Plan. We may disclose protected health information to Business Associates once they have agreed in writing to safeguard the protected health information. For example, we may disclose your protected health information to a Business Associate to administer claims. Business Associates are also required by law to protect protected health information.

To the Plan Sponsor. We may disclose protected health information to certain employees of The Town of Mooresville for the purpose of administering the Plan. These employees will use or disclose the protected health information only as necessary to perform plan administration functions or as otherwise required by HIPAA, unless you have authorized additional disclosures. Your protected health information cannot be used for employment purposes without your specific authorization.

If you (and/or your dependents) have Medicare or will become eligible for Medicare in the next 12 months, a Federal law gives you more choices about your prescription drug coverage. Please see below for more details, and be sure to give this notice to your Medicare-eligible dependents covered under the Town of Mooresville group health plans.

Important Notice from Town of Mooresville About Your Prescription Drug Coverage and Medicare - CREDITABLE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Town of Mooresville and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

- 1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.**
- 2. Town of Mooresville has determined that the prescription drug coverage offered by the Town is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.**

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Town of Mooresville coverage will not be affected

If you do decide to join a Medicare drug plan and drop your current Town of Mooresville coverage, be aware that you and your dependents will be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Town of Mooresville and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

Women's Health and Cancer Rights Act

The Women's Health and Cancer Rights Act of 1998 was signed into law on October 21, 1998. The Act requires that all group health plans providing medical and surgical benefits with respect to a mastectomy must provide coverage for all of the following:

- Reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance; and Prosthesis if necessary
- Treatment for physical complications of all stages of mastectomy, including lymphedema.

This coverage will be provided in consultation with the attending physician and the patient, and will be subject to the same annual deductibles and coinsurance provisions which apply for the mastectomy. For deductibles and coinsurance information applicable to the plan in which you enroll, please refer to the plan descriptions.

Newborns' and Mothers' Health Protection Act of 1996 (NMHPA)

STATEMENT OF RIGHTS

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Notice of Privacy Practices

The Town of Mooresville Health Plan maintains a Notice of Privacy Practices that provides information to individuals whose protected health information (PHI) will be used or maintained by the Plan. Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2017. Contact your State for more information on eligibility.

To see if any other states have added a premium assistance program since January 31, 2017, or for more information on special enrollment rights, contact either:
