

GOLF TECHNICIAN II

Position Code: 1499

WC Code: 9102

FLSA Status: Non-Exempt

Pay Grade: 343

Location: Public Services

Approval Date: 2018

General Statement of Duties

Performs skilled and semi-skilled golf course maintenance.

Distinguishing Features of the Class

An employee in this class performs a variety of manual labor tasks in the maintenance of the golf course. Golf course maintenance includes mowing greens, tee boxes, roughs and fairways, performing routine maintenance on mowers, cutting and moving cup holes and cleaning up trash. Work may include assisting with or performing routine and specialized maintenance and repair of equipment used. Employee must be able to perform manual labor, as well as skilled and semi-skilled duties, and abide by safety rules and regulations. Accuracy in equipment operation is essential to cut the golf course precisely, avoid damage and ensure citizens are not injured. Work may require serving on call. Work subjects the employee to inside and outside environmental conditions, noise, vibration, hazards associated with maintenance work, fumes, odors, dust, mists and oils. In some jobs involving equipment, duties may expose the employee to human body fluids and thus the work is subject to level II of the OSHA requirements on bloodborne pathogens. Work is assigned daily by the Golf Crew Leader and is reviewed through observation, quality and quantity of completed work and discussions.
