

GOLF COURSE SUPERVISOR

Position Code: 1660
WC Code: 9102
FLSA Status: Non-Exempt
Pay Grade: 352
Location: Golf Course
Approval Date: 2018

General Statement of Duties

Performs responsible supervisory duties in the maintenance and care of the Town's Golf Course.

Distinguishing Features of the Class

An employee in this class is responsible for the scheduling and supervision of employees involved in the maintenance and repair golf course grounds. Work involves budgeting, supervising, and the development of work programs to respond to needs. Work includes ensuring that all personnel know and follow safety procedures; also the maintenance and agronomic operations for the town including cost control and personnel. This employee must coordinate work with other Town employees and contractors. Considerable latitude and independent professional judgment and initiative are required in establishing effective systems and managing personnel. An employee is subject to hazards in the work including indoor and outdoor environmental conditions; significant noise and vibrations; physical conditions such as proximity to moving mechanical parts, and exposure to high heat, chemicals, oils, fumes, dusts, odors, or poor ventilation. In some jobs, duties may expose the employee to human body fluids and thus the work is subject to level III of the OSHA requirements on bloodborne pathogens. Tact and courtesy are required in contacts with all people. Work is performed under general supervision of the Building and Grounds Superintendent and is evaluated through conferences, observation, and according to the effectiveness of maintaining the buildings, grounds and equipment in satisfactory condition.

Duties and Responsibilities

Schedules work and assign crews assuring all work is completed within established deadlines; evaluates and inspects completed work; and prioritizes work.

Prepares budget and monitors expenditures.

Instructs employees in proper work procedures, hazards, and safety precautions; provides feedback and quality assurance.

Prepares and maintains daily work reports, makes and adjusts work assignments.

Supervises workers in the repair and maintenance of the Town's Golf Course.

Ensures work orders are complete.

Completes reports and update records manually and through the use of computer software programs.

Develops the fertility, herbicide, fungicide, and insecticide programs used on turf.

May maintain and operate a computer-controlled irrigation system.

Performs on-call duties for evenings, holidays and weekends. In some positions, work may include weekends as part of a regular schedule.

Other duties as assigned.
